Dear families,

RE: Return to face-to-face learning and teaching

Thank you for all your support during these past few weeks of remote and flexible learning.

Following advice from the Chief Health Officer, the Victorian Government and the Catholic Education Commission of Victoria Ltd (CECV) have advised that schools can begin a phased return to onsite schooling.

In the **first stage**, learners in **Years Prep, 1 and 2**, senior secondary students (Years 11 and 12 VCAL and VCE) and all students in specialist schools will return to school from **Tuesday 26 May**.

To support all school staff to prepare for this transition, Monday 25 May will be a student-free day.

In the **second stage** of our return to onsite schooling, **all other year levels** will return to school from **Tuesday 9 June**.

For those learners who cannot be supervised at home and vulnerable children, the existing model of onsite schooling will remain in place during the two-week period from Tuesday 26 May to Tuesday 9 June. The current process that we are using to enable parents and carers to indicate the days for which onsite schooling is required will continue for this two-week period.

All other learners in those year levels will continue learning from home until Tuesday 9 June.

Once a year level has returned, all learners will be expected to attend school as normal. This means if you choose to keep your child/children home after their year level has returned to onsite schooling, we can no longer support their learning from home.

This does not apply to children who need to be absent for health or medical reasons. For those families, please contact us so we can make an appropriate plan.

This same approach is being taken by all Catholic and government schools in Victoria.

To support the health and wellbeing of all learners and staff, our school will continue an enhanced cleaning routine and will encourage frequent handwashing.

If your child is ill or is feeling unwell, they must not attend school. They must remain home and seek medical advice.

While the Chief Health Officer has advised that students will not be required to maintain physical distancing at school, there will be a number of important changes to our school operations, consistent with health advice to all schools that will be made available in coming days. These will apply until further notice. I will provide more details about our local school context as soon as possible, but it is important to note that changes will include:

- adjusted arrangements for drop-off and pick-up, including staggered school start and finish times;
- restrictions on access to the school site for anyone other than immediate school staff and students;
- the way we conduct parent–teacher meetings and interviews.

We understand that some families may feel anxious about this move back to onsite teaching and learning. I can assure you that this decision has been taken on the basis of the best health advice available to our state.

More information about the return to school and coronavirus (COVID-19) can be found on the CECV website, which will continue to be updated: cecv.catholic.edu.au/Coronavirus-information-for-parents

Thank you for your continued support and patience during this time. We look forward to welcoming learners back to our learning spaces here at school.

Take care,

Mary Abbott
Principal
