

## Introduction

These procedures outline the process for applications for concessional school fees in Melbourne Archdiocese Catholic Schools Ltd (MACS) primary schools.

## Purpose

The purpose is to set out the procedures for the provision of fee concessions in MACS primary schools.

## Procedures

### 1. Eligibility for Concessional School Fees

Families may qualify for concessional school fees if they meet any of the following criteria:

#### 1.1. General eligibility criteria

- of Aboriginal or Torres Strait Islander heritage
- holding Services Australia Health Care Cards (HCC) and eligible for Camps, Sport and Excursion Fund (CSEF)
- holding a Department of Veterans' Affairs (DVA) Gold Card
- identified as refugees holding Department of Home Affairs Proof of Identity card (ImmiCard)
- refugees, where the child has attended a school within Australia for less than five years
- experiencing genuine financial hardship (e.g., loss of family home, and/or loss of income through volunteering to fight bushfires, COVID-19 or illness and/or loss of livelihood/income caused by bushfires)

#### 1.2. Special Medical Circumstances

Any family required to relocate their (Australian resident) child to St Michael's Catholic Primary School, North Melbourne, due to the child requiring long term medical treatment at The Royal Children's Hospital, Melbourne will be eligible for concessional student fees. Pro-rata concession is provided for part-year attendance. An annual statutory declaration is required to confirm eligibility.

#### 1.3. Home schooled students ( HSS): who attend a MACS primary school on a part time basis, who meet any of the criteria detailed in 1.1 or 1.2 are eligible for concessional student fees.

### 2. Ineligibility for Concessional School Fees

Full Fee-Paying Overseas Students (FFPOS) are ineligible for concessional school fees, as government funding is not available for these categories.

### 3. Concessional School Fees for Eligible Students

Concessional fees (including tuition fees and levies) for eligible students are subject to an annual review for reasonableness and ongoing suitability. The fee assessment is conducted by General Manager, School Finance and approved by the Chief Financial Officer of Melbourne Archdiocese Catholic Schools. All MACS primary schools are required to comply with this assessment prior to setting fees.

Refer to the [current year's concessional fees notice](#) for the applicable concessional fee information.

#### 4. Application for Concessional School Fees

- 4.1. Applications for a concessional school fee must be made on [the school approved form](#) and emailed to the school every year prior to the commencement of term 1 of the school year, except for families of Aboriginal or Torres Strait Islander heritage. These families are not required to reapply once their initial application has been approved.
- 4.2. Information provided in support of concessional school fee applications must be treated in the strictest confidence, in accordance with the MACS [Privacy Policy](#).

#### 5. Approval process for Concessional School Fees Applications

- 5.1. The school principal is delegated the authority to approve concessional school fees applications.
- 5.2. A principal's approval or decline of concessional school fees applications should be retained in writing.

##### **Successful Applications:**

- 5.3. When an application for concessional school fees is approved, an automated payment plan must be established. Where applicable, the payment plan should be set up through CentrePay or via direct credit to the school.
- 5.4. When invoicing families for concessional school fees, schools should issue invoices showing the full school fees and levies (excluding the Camp levy), along with a separate line for the fee remission, so that the total amount reflects the concessional school fee payable. The concession does not apply to the Camp levy.

##### **Unsuccessful Applications:**

- 5.5. In the circumstance that a family applies for but does not meet the eligibility threshold for a school fee reduction, the school may consider establishing an appropriate payment plan with the family.

#### 6. Concessional Fees Applicable to Split Families

For Split Families, invoicing arrangements will align with the parenting court order. Separate debtor accounts may only be established where a parenting court order explicitly requires split payments.

The concessional fee criteria will apply to each account in cases where split billing is in place.
